

EXPLICIT CONSENT TEXT REGARDING THE USE OF PERSONAL DATA

For detailed information regarding the personal data processed by Techprio Ltd. (“Techprio”) in accordance with GDPR (the “Law”), please read the “GDPR and Privacy Policy”. You may state your preference below as how you would like your personal data obtained as part of your relationship with Techprio to be used and shared. Please contact us if you would like to obtain further information regarding GDPR and Privacy Policy or withdraw your consent.

Marketing Activities

I hereby give my consent for my personal data to be processed and shared with affiliates and business partners for the purposes of establishing tailor-made products, campaigns and special offers; as well as identifying and providing the products or services I may be interested in or need to use, within the framework of the services offered by Techprio and under intermediary scheme and except for the activities that do not require an explicit consent as per the Law.

Cross Border Data

Sharing I hereby consent to the sharing of my personal data as supplementary data with overseas Techprio, Group companies, companies providing services, suppliers, support service providers, potential buyers, governmental and private institutions, financial institutions and organizations for the following purposes: executing the valuation activities to be performed by potential buyers; preparing consolidated financial statements; executing risk management and internal audit activities; executing valuation activities to sell Techprio assets or securities based on them, including but not limited to loans; executing valuation, rating or assistance services; executing independent audit activities and service purchases and sharing data in line with the permission, approval or orders given by the Governmental Agencies.

Consent

I hereby consent to the processing of my personal data, including my financial information in order to make Techprio services accessible and suitable for customers in accordance with the Regulation on the Accessibility of Techprio Services.
